Guide: Dr. vivek kumar

I have made this game by java ,javafx by java programming

(sep,19 – dec,19)

Team Size-<1>

Casino management system : django,html,css(Database Managemnt System)

Guide : Dr Mukesh.Mohania

We have made this website (frontend and backend) with the help of others 4 members of out team. We made this website for those people who are going to casino to play games like poker , black-jack etc. so by this website player can check their stats and manager can view their employee details and their also able to add the newly hired employee.

(feb,2020 –apr,2020)
